

Pergo Vinyl Comfort Underlay**Description:**

- Reduces impact sound to the bare minimum.
- Suitable for installation under Flex Click and Rigid Click floors.
- Easy installation
- Perfect for floor heating/cooling.

**Characteristics:**

Product code	PGVUDLCOMFORT15	
Material	100% recycled Polyester	
Colour	Green (color may vary)	
Shape	Roll	
Thickness	1,15 mm	EN 823
Length	15000 mm	EN 822
Width	1000 mm	EN 822
Compression strength	400 kPa with 0.5 kPa Pre-load	EN 826
Fire protection classification	E _{fl}	EN 13501 – 1
Thermal conduction resistance	0.02 m ² K/W	DIN 4108
Impact sound insulation	ΔL _w = 19dB with Flex and Rigid Click	IHD 431
Walking noise reduction	-10%	

Installation instructions:

1. Unroll the underlay on the subfloor with the Pergo logo upwards. Lay the underlay strips parallel to the laying direction of your Pergo® floor. Do this strip by strip, as the laying of your floor progresses.
3. Install the following row next to the first. Seal the joints between the underlay with a tape in order to keep the underlay in place.
4. Make sure the underlay fits together tightly (don't leave any gaps).
